# FIRE AND ICE 2020

Thank you for your enquiry about Fire and Ice 2020. This leaflet should, we hope, provide you with all the information you and your group will require to help you to decide to make Fire and Ice your winter camp for 2020.

## What is Fire and Ice?

Fire and Ice is a winter camp organised for Scouts, Guides, Explorers, and Senior section.

## What can I do at Fire and Ice?

These are just some of the activities offered at Fire and Ice:

Abseiling, Archery, Rifle shooting, High Ropes, Crafts, Laser Tag, Zip Line, Gladiator Duel, Pedal Karts, Dodgems and Waltzer fairground rides.

## Camp Security:

At Fire and Ice all campers are provided with a camp lanyard to show that they are meant to be at camp. These have a plastic wallet which will hold permission forms required for some of the activities. Visitors are asked to book into the office on arrival where they will be issued with a visitors pass. The Service Crew will challenge anyone not wearing either a camp lanyard or a visitor's pass. Please ensure that any visitors you are expecting are aware of this important rule.

## Catering at Fire and Ice:

This year we are able to offer a fully catered option for groups who do not want to worry about catering themselves. This will be provided in a warm marquee and the meals supplied will be Saturday breakfast, lunch and dinner and Sunday breakfast and lunch. The cost for this option is £28 per person plus VAT (£33.60). If you wish to book the catering we will need payment for the meals upfront when booking and will also need to know any specific dietary requirements beforehand. There are limited spaces for this option so it is a first come first served basis.

## Other Catering options:

As with other years we will still have the catering vans onsite for snacks and for groups who just wish to order some of their meals from them. These will be available from Friday evening through to Sunday afternoon and have a wide range of food and hot drinks available at reasonable prices.

## Camp Fees and General Information:

The cost for Fire and Ice 2020 for Scouts and Explorers is £25 per young person taking part in the activities and £8 per leader.

Then for Guides and Senior Section the cost is £25 plus VAT (£30) per young person taking part in activities and £8 plus VAT (£9.60) per leader.

If you choose the catering option there will then also be that additional cost on top of this.

## Cancellation of Fire and Ice:

As Fire and Ice is a winter camp groups who book need to be fully aware that it will very likely be cold at camp and on occasion has been known to snow. If groups are prepared for this they can still have a very successful camp and the young people will be fine. Tolmers in 2013 had severe snow and we still managed to continue the camp with 500 attending and thoroughly enjoying themselves. Groups need to be aware of our terms and conditions for cancelling as stated below:

Cancellations must be made in writing to Tolmers. The acknowledgement sent by Tolmers will state the effective date of the cancellation. In the event of a cancellation the following charges will apply:

More than 60 days before commencement date -Loss of deposit

60 -31 days before commencement date -50% of total cost

30 -8 days before commencement date -75% of total cost

7-1 days before commencement date -100% total cost

On or after the commencement date -100% total cost

Unfortunately we will have to adhere to these T&C's whatever the weather if the site still goes ahead with the camp.

## Booking Information pack:

Shortly after you book to attend Fire and Ice you will receive a full information pack for the camp which will include the activity permission forms as well as menus for what is available for either catering option. However if you have any further questions regarding the camp please do not hesitate to contact us.
